

LAUREN HOWELL

Director of Marketing & Operations

Marketing Operations • Process Engineering • Business Systems • Automation • Ecommerce
Utah • Open to Remote & Hybrid

EXECUTIVE PROFILE

Operations and marketing executive with a proven record of building scalable systems that fuel business growth. Specialize in process engineering, automation architecture, ecommerce operations, and cross-functional leadership. Helped support approximately **3× company growth** by redesigning workflows, implementing automation, and aligning marketing, operations, and technology around measurable business outcomes.

CAREER HIGHLIGHTS

- Supported approximately 3× business growth through operational and marketing initiatives.
- Designed automation infrastructure connecting Shopify, Airtable, n8n, Klaviyo, Stripe, APIs, and custom workflows.
- Led Shopify migration and ecommerce optimization initiatives.
- Built executive dashboards for revenue, operations, refunds, warranty, and insurance reporting.
- Redesigned core operational workflows across fulfillment, production, inventory, customer service, and finance.
- Managed cross-functional initiatives with external development agencies and internal leadership.

PROFESSIONAL EXPERIENCE

WHITE POPPY PRESERVATION

Director of Marketing & Operations | 2024–Present

Lead marketing, operations, automation, ecommerce, reporting, and business systems.

Business Leadership

- Partner with executive leadership on strategic planning, pricing, operational improvements, and growth initiatives.
- Build scalable systems enabling growth without proportional increases in administrative workload.

Process Engineering & Systems

- Redesigned end-to-end workflows for order management, production, fulfillment, inventory, refunds, warranties, and insurance.
- Architected automation using Airtable, n8n, Shopify, Klaviyo, Stripe, APIs, and webhooks.
- Eliminated repetitive manual work through automation while improving reporting accuracy and operational visibility.

Marketing & Ecommerce

- Directed lifecycle marketing, promotions, SEO, website merchandising, product launches, and customer experience.
- Led Shopify migration, checkout optimization, and digital infrastructure improvements.

ROSIE RUE FLORAL CO.

Marketing & Operations

Supported marketing strategy, business operations, reporting, process standardization, lead management, and multi-market growth initiatives.
